Stage 1 Reading Grid Term 2
Week 1 & 2 Monday-Friday

Everyday-

Read for at least 20 minutes **each day** and complete the activity listed below.

Monday	Tuesday	Wednesday	Thursday	Friday			
<p>* Staff Development day</p>	<p>* Staff Development day</p>	<p>* Read your set reader (found in your Teams channel) or your home reader</p> <p>* Look for as many camera words as you can from your book and write them in your workbook.</p>	<p>* Read your set reader (found in your Teams channel) or your home reader</p> <p>* Draw a picture of your character.</p> <p>* What is your character's name?</p> <p>* Write three words to describe your character's appearance.</p>	<p>* Read your set reader (found in your Teams channel) or your home reader</p> <p>* Retell the story to someone in your family.</p> <table border="1" data-bbox="1749 579 2128 879"> <tr> <td>Beginning</td> </tr> <tr> <td>Middle</td> </tr> <tr> <td>End</td> </tr> </table>	Beginning	Middle	End
Beginning							
Middle							
End							
<p>Monday</p> <p>* Read your set reader (found in your Teams channel) or your home reader</p> <p>* I just read _____</p> <p>By _____</p> <p>I liked _____</p> <p>I didn't like _____</p> <p>Draw a picture</p>	<p>Tuesday</p> <p>* Read your set reader (found in your Teams channel) or your home reader</p> <p>* Choose 3 characters from your book.</p> <p>* Draw a picture of each character</p> <p>* Write a word for their appearance, their behaviour, their feelings and what they are like.</p>	<p>Wednesday</p> <p>* Read your set reader (found in your Teams channel) or your home reader</p> <p>* What does an event in this book remind you of? Draw or write about it.</p>	<p>Thursday</p> <p>* Read your set reader (found in your Teams channel) or your home reader</p> <p>* Build new words from words you find in your book.</p> <p>For example: frown- frowned, frowns, frowning.</p>	<p>Friday</p> <p>* Read your set reader (found in your Teams channel) or your home reader</p> <p>* Design and create a new front cover for the book, including a new title that you think matches the story.</p>			

Year 2 Phonics Grid

Week 1 Wednesday - Friday

Daily activities while watching the phonics video

ow, ou, ough

Say and write these graphemes
Blend words using these phonemes

Other optional practice activities below:

<p>You can:</p> <p>Make the graphemes from playdough.</p> <p>OR</p> <p>Make the graphemes from objects around the house and backyard like pasta, lego, leaves, sticks, rocks.</p>	<p>You can:</p> <p>Trace the graphemes in a tray of rice.</p> <p>OR</p> <p>Trace the graphemes in sand or shaving cream.</p>	<p>You can:</p> <p>Write the graphemes on post it notes or paper. Use a flyswatter/hands to hit the grapheme the parent/carer calls out.</p> <p>OR</p> <p>Stick the post it notes on the wall and use something like a nerf gun to hit the graphemes.</p>	<p>You can:</p> <p>Hide some graphemes around the house. Have your child go on a phoneme search.</p>	<p>You can:</p> <p>Go into your kitchen, bedroom, lounge room, backyard and look for objects that make your mouth say 'ow'. Draw them.</p>
<p>You can:</p> <p>Write ow, ou, ough words on pieces of card and play snap with a partner.</p>	<p>You can:</p> <p>Using the same word cards, play noughts and crosses with a partner. You need to read the word when you put it down.</p>	<p>You can:</p> <p>Search and find ow, ou, ough words in a book – write and draw a picture for each.</p>	<p>You can:</p> <p>Fab or fake: use the word cards and make fake word cards using the graphemes. Read the words and write them in the fab or fake column.</p>	<p>You can:</p> <p>Fill a bingo board with ow, ou, ough words. A partner reads out the words. You can only put a counter on if you read the word!</p>

Year 2 Phonics Grid

Week 2 Monday - Friday

Daily activities while watching the phonics video

ow, ou, ough

Say and write these graphemes

Blend words using these phonemes

Segment to spell words using these phonemes

Other optional practice activities below:

<p>You can:</p> <p>Make the words from playdough.</p> <p>OR</p> <p>Make the words from objects around the house and backyard like pasta, lego, leaves, sticks, rocks.</p>	<p>You can:</p> <p>Trace the words in a tray of rice.</p> <p>OR</p> <p>Trace the words in sand or shaving cream.</p>	<p>You can:</p> <p>Roll and write using dice. Assign the graphemes to a number. If you roll a 1, 2, 3 write a /ow/ word, 4, 5 /ou/ word, 6 /ough/ word.</p>	<p>You can:</p> <p>Beat the clock. Get a partner to read you words – write down as many as you can in 1 minute.</p>	<p>You can:</p> <p>Play looking good. Get a partner to read some words and write them using the 3 different graphemes. Circle which looks good.</p>
<p>You can:</p> <p>Get a partner to read you words and use a paintbrush and water to write them on the concrete outside.</p>	<p>You can:</p> <p>Write some fab and fake words using the graphemes. For example 'cow' and 'yow'.</p>	<p>You can:</p> <p>Draw pictures to match the words in the grid. Flip a card and write that word.</p>	<p>You can:</p> <p>Go into your kitchen, bedroom, loungeroom, backyard and look for objects that make your mouth say 'ow'. Write a list of what you found.</p>	<p>You can:</p> <p>Go through books and magazines in your house and write down all the /ow/ words you find.</p>

Monday

Staff Development Day

Tuesday

Staff Development Day

Wednesday

Whole Number

Find a collection of objects and group them into 10's. You can use pegs, marbles, fruit loops etc.

Thursday

Whole Number

Find a magazine in your house and cut out some 2- or 3-digit numbers. Glue it in your book and then draw it.

Friday

Whole Number

Partition the 2-digit and 3-digit numbers into your books.

E.g. $26 = 20 + 6$

$125 = 100 + 20 + 5$

12, 25, 38, 47, 55, 134, 228, 569

Week 2 Monday-Friday (complete daily mathematics activity)

Monday

2D shapes

Shape hunt: explore around your house and draw all the different 2D shapes you can see.

Tuesday

2D shapes

Construct a picture using a variety of 2D shapes. Draw, colour and cut shapes to create your picture.

Wednesday

2D shapes

In your book, create three repeating patterns. Draw them in your book.

Thursday

2D shapes

Creating 2D shapes. Using paddle pop sticks or twigs/sticks from your backyard, create 2D shapes.

Friday

2D shapes

Find a magazine in your house and cut out as many 2D shapes. Glue them into your work book.

Term 2 Stage 1 Science Grid

Earth and Space Sciences

One lesson should be completed each week. **Week 1 No lesson due to Staff Development day**

Week 2- complete Lesson 1

In the next few weeks, Year 1 and 2 students will be learning about constellations and seasons. They will investigate the night sky and the appearance of stars. Students will observe and investigate the four seasons and changes that occur during each season. By completing activities each week students will make observations about constellations and weather changes during the different seasons.

Week 1-

**NO LESSON due to
Staff Development
Day**

Lesson 1 – What is a constellation?

Watch the video Mrs Nettle has recorded on her Science channel.

Complete one of the activities about constellations. If you want to do both activities it is your choice.

Activity 1. Trace the lines/dots to make constellations, then colour the stars and the night sky around them. (Page 3 in science workbook)

and/or

Activity 2. Create your own star constellation. Draw your design on paper and give it a name. Extension – make your design with things from home. (complete on blank paper)

ALTERNATE ACTIVITY

Watch the video in the link below.

<https://www.youtube.com/watch?v=1sZ15SueS9w>

Activity - Draw a constellation you have learnt about or that you saw on the video.

Don't forget to share your work on Mrs Nettle's science channel.

Term 2 Stage 1 Geography Grid

Week 1 and 2

One lesson should be completed **each week**. Week 1 complete Lesson 1 and Week 2 Lesson 2.

In the next few weeks, Year 1 and 2 students will be learning about finding places. They will investigate why places have addresses, how mail travels and the importance of addressing an envelope correctly. Students will observe and investigate how mail can travel all around the globe. By completing activities each week students will make observations about how addresses identify a place assists in the travel of mail.

Lesson 1 – Finding Places

Watch the video Mrs Bacan has recorded on the geography channel.

Complete the worksheets about addresses in your geography book.

Worksheet 1: (9) Address the letter to yourself.

Worksheet 2: (10) Places can be personal, local, state or national.

Extension Worksheet (If you want to challenge yourself)

Worksheet 3: (11) Try addressing the envelope the Spanish way.

Optional Additional Activity

Write a letter and address the envelope on your own to someone special that is special to you (e.g. a friend, grandparent, cousin)

Lesson 1 – Names of Places

Watch the video Mrs Bacan has recorded on the geography channel.

Complete the worksheet about names of places in your geography book.

Worksheet 1: (7) Sometimes places are named after the natural feature they are near. Draw what you think these places would look like.

Extension Worksheet (If you want to challenge yourself)

Worksheet 2: (8) Use the picture clues to find place names in Australia.

Optional Additional Activity

Draw a place in Australia that you would like to visit one day and write a sentence about why you would like to visit that place.

Stage 1 Creative Arts Week 1 and 2

One lesson should be completed **each week**. Week 1 complete Lesson 1 and Week 2 Lesson 2.

Lesson 1

Directed drawing: draw a picture of a cockatoo.

Go to:

<https://www.youtube.com/watch?v=UqgL5-wTh4w> and follow the step by step instructions.

How To Draw A Cartoon Cockatoo

Remember to colour in your picture and don't forget to share your art on your private channel.

Lesson 2

Directed drawing: draw a picture of a cockatoo.

Go to:

<https://www.youtube.com/watch?v=kkGZ3gp5e5A> and follow the step by step instructions.

Emu / Ostrich drawing

Remember to colour in your picture and don't forget to share your art on your private channel.

Term 2 Stage 1 Health Grid Week 1 and 2

One lesson should be completed **each week**. Week 1 complete Lesson 1 and Week 2 Lesson 2.

Over the next couple of weeks, Year 1 and 2 students will be learning the importance of nutrition and exercise. They will investigate the health benefits of eating nutritionally balanced meals and exercising frequently. Through the completion of weekly activities, students will be engaged in physical fitness and be more able to make educated decisions when choosing food.

Lesson 1 – Nutrition

Watch the video Mr. Lia has recorded on his Health channel.

This lesson will focus on the benefits of eating foods high in nutrition, as well as the negative impact frequently eating unhealthy foods can have on our bodies.

Activity- Find fruits and vegetables around your house. In your work books, draw, colour and label each fruit and vegetable.

Link to video- <https://www.youtube.com/watch?v=L9ymkJK2QCU>

Read along link - https://www.youtube.com/watch?v=f_i_HSoKZGk

Don't forget to share your work on Mr Lia's health channel.

Lesson 2 – Physical activity

Watch the video Mr. Lia has recorded on his Health channel.

This lesson will focus on the importance of engaging in regular exercise. Students will learn the benefits which physical activity has on our bodies.

Activity- In your work books, draw and colour a picture of yourself participating in your favorite exercise (soccer, dancing, basketball).

Under the drawing, make a list of health benefits the exercise has on your body (build muscle, make your heart strong, increase fitness).

Students will also be encouraged to participate in a short work out during the lesson.

Link to work out-https://www.youtube.com/watch?v=u0_1QBQ8Syk

Link to video- <https://www.youtube.com/watch?v=NbEeaBULvys>

Don't forget to share your work on Mr Lia's health channel.

Term 2 Stage 1 Physical Education Grid

Week 1 and 2

One lesson should be completed each week.

Don't forget to check out the channel "Fitness with Miss Cownie" for weekly fitness videos.

Lesson 1:

Here are some physical activity suggestions that you might like to try at home.

Complete 4 rounds of these exercises:

- 10 Jump squats
- 10 star jumps
- 10 high knees
- 10 hops (5 each leg).

Don't forget to share photos or videos of your exercises in my channel "Fitness with Miss Cownie"

Lesson 2:

Here are some physical activity suggestions that you might like to try at home.

Carry out each exercise for 30 seconds as many times as you can.

- Side gallop
- Skipping
- Lunging
- Jumping
- Hopping

Don't forget to share photos or videos of your exercises in my channel "Fitness with Miss Cownie"
